Computer Science Principles Summer Assignment 2023

Need: The Inevitable by Kevin Kelly – Amazon.com Kindle $10.00, hardcover various prices

Reading Log for The Inevitable

As you read The Inevitable, you will keep a reading log. Each entry of your log will follow **one** of the options listed below. Pick one option and use it for the entire book.. You must complete a log entry for **each chapter** read. All twelve entries are due the first day of class. Each class day late will result in a loss of 10 points.

Each entry must be typed in a Google Doc or Word and saved in your Google Drive. You will turn in them on the first day after you have been added to Classroom. **Be thoughtful in your responses**. Each entry is worth up to 10 pts., with a possible total of 120 pts.

Option 1
    A.   "Text Connections"
          1. When I read...
             I make the connection….
          2. When I read....
             I make the connection…
          3. When I read…
             I make the connection…

Option 2
    B.   "Learning"
          Make two columns on your paper
          1st column = Interesting Details
          2nd column = Summary of Learning (I don't want a summary of the chapter, I want a summary of what you have learned.)
          Should present twelve entries
